### Major Component Coverage for Pre-owned Vehicles

SecureChoice™ provides extensive component coverage, including mechanical breakdown as well as seals and gaskets. SecureChoice™ is an affordable means to obtain product warranty coverage against mechanical breakdowns.

#### Coverage:

**Engine** – All internal components of the engine that require lubrication for operation. Harmonic balancer, engine block, cylinder heads, oil pan, and timing chain cover are also covered only if damaged by contact with an internally lubricated moving engine Covered Component and condition.

**Transmission** – All internal components of the transmission that require lubrication for operation. Torque converter, vacuum modulator, accumulator, electronic shift control unit, transmission case, and oil pan are covered only if damaged by failure of an internally lubricated transmission Covered Component and condition.

**Drive Axle (Front and Rear)** – All internally lubricated Components contained within the drive axle housing, plus the following: locking hubs, drive shafts, center support bearings, universal joints, constant velocity joints (except when damaged as a result of a torn or missing CV boot). Drive axle housing and differential cover are covered only if damaged by failure of a covered internally lubricated drive axle Component.

**Cooling System** – Engine cooling fan and motor, water pump, and fan clutch.

**Air Conditioning System** – Condenser, compressor, evaporator, expansion valve, and blower motor. The following Components are also covered if required in connection with the repair of a listed Covered Component: accumulator/receiver dryer and orifice tube.

**Fuel System** – Fuel delivery pump, fuel injection pump, and metal fuel delivery lines.

**Electrical** – Alternator, voltage regulator, starter motor, starter solenoid, ignition switch, front and rear window wiper motor and switch, washer pump and switch, headlamp switch, turn signal switch, rear defogger switch, heater/A.C. blower speed switch, power window motor and switch, power door lock actuator and switch.

**4X4 Transfer Case** – All internal Components of the transfer case that require lubrication for operation.

**Seals & Gaskets** – Coverage for failed seals and gaskets for Covered Components.

**Mechanical Breakdown** – Covered components that have failed due to wear in excess of manufacturer's specified tolerances, and faulty workmanship or defect.

**Car Rental & Towing** – This product warranty provides a total of \$150 for car rental and a total of \$100 for towing.

**CONSUMER DIRECT WARRANTY SERVICES**
